R E P O R T

[To accompany H. Res. 1225]

The Committee on Rules, having had under consideration House Resolution 1225, by a record vote of 8 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendments to H.R. 4872, the “Health Care and Education Reconciliation Act of 2010.” The resolution makes in order a motion offered by the chair of the Committee on Education and Labor that the House concur in the Senate amendments to H.R. 4872, the “Health Care and Education Reconciliation Act of 2010.” The previous question shall be considered as ordered without intervening motion or demand for division of the question. The resolution provides 10 minutes of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Education and Labor. The resolution waives all points of order against consideration of the motion except those arising under clause 10 of rule XXI. Finally, the resolution provides that the Senate amendments and the motion shall be considered as read.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the motion (except those arising under clause 10 of rule XXI) the Committee is not aware of any points of order against the motion. The waiver of all points of order is prophylactic.
